Navigating the Digital Landscape

NBCU One Platform Digital

NBCU’s One Platform Digital portfolio combines premium content, flexible targeting, and valued partnerships to reach your customers at scale.

Whether you’re looking to reach streamers at scale, create immersive experiences within our can’t-miss premieres and finales, or connect with the most avid Apple News users, we are your one-stop shop for reaching the consumers who matter most.
What It Is:
We've created a home for streaming at NBCU with our premium ad-supported service, Peacock. Offering thousands of hours of popular movies and shows, as well as compelling live and on-demand content across news, sports, late-night, and reality we have 66M Monthly Active Users come to the platform. Join us as we're taking flight and learn more by clicking here.

  - This Is Us
With NBCU’s content on Twitter, we can help you add valuable reach to your campaigns by positioning your ad in front of hand-picked, brand-safe clips.

As one of Snapchat’s largest content partners, we can drive brand awareness and increase your reach against younger audiences as they consume our popular Snap content.

As the largest publisher-led ad platform, Concert reaches more than half of the desktop and mobile users in the U.S.
, which means it can add massive scale to your NBCU campaigns.
With Social Sync, we work with you to execute social campaigns that **amplify your brand** messaging across NBCU’s one billion+ social followers
and beyond.
