INJUSTICE
WITH NANCY GRACE

Season 1

In this standalone new true crime series, the celebrated felony prosecutor Nancy Grace recounts terrible true crime cases that took place during her career, and why the cases still haunt her. The intricate twisted tales will keep viewers in suspense as Nancy Grace tries to determine who did the crime and why. Can justice be served for the victims all these years later? With exclusive interviews conducted by Nancy and first-hand accounts from individuals involved in the crimes, each story will be told with a blend of archival footage and cinematic recreations that stay true to the premium Oxygen brand.
