Based on the Dark Horse comic, SYFY’s new comedy series “Resident Alien” follows Harry, an alien played by Alan Tudyk (“Rogue One,” “Firefly”) that crash lands on Earth and passes himself off as a small-town human doctor. Harry starts off living a simple life… but things get a bit crazy when he’s roped into solving a local murder and realizes he needs to assimilate into his new world. As he does so, he begins to wrestle with the moral dilemma of his secret mission and asking the big life questions like: “Are human beings worth saving?” and “Why do they fold their pizza before eating it?”
