DISPLAY 728x90, 300x600, 300x250

This screenshot shows the CNBC website layout on a 728x90 display. The top navigation bar includes the CNBC logo, a search bar, and links for SIGN IN, MAKE IT, SELECT, USA, and INTL. Below the navigation bar is a large banner with the text "LET BE THERE CHANGE" and the Accenture logo. The main content area features the "EVOLVE" logo and three article thumbnails. The first article is titled "Richard Branson, John Chambers bring Hyperloop, and millions, to poverty-stricken Appalachia" and is dated "TUE, OCT 13TH 2020". The second article is titled "How Garmin survived the iPhone and started growing again" and is dated "THU, OCT 8TH 2020". The third article is titled "Marriott built its 'Airbnb' before coronavirus crashed travel. Did it help?" and is dated "SUN, SEP 13TH 2020". A "FOLLOW" button is visible on the right side of the article thumbnails.

This screenshot shows the CNBC website layout on a 300x600 display. The top navigation bar is identical to the first screenshot. Below the navigation bar is a large banner with the text "and watch your business come to life." and the Accenture logo. The main content area features the "EVOLVE" logo and three article thumbnails. The first article is titled "Richard Branson, John Chambers bring Hyperloop, and millions, to poverty-stricken Appalachia" and is dated "TUE, OCT 13TH 2020". The second article is titled "How Garmin survived the iPhone and started growing again" and is dated "THU, OCT 8TH 2020". The third article is titled "Marriott built its 'Airbnb' before coronavirus crashed travel. Did it help?" and is dated "SUN, SEP 13TH 2020". A "FOLLOW" button is visible on the right side of the article thumbnails. An "ABOUT" section is visible at the bottom right, containing text about the CNBC Evolve event series.

Melissa Biggs Bradley, founder of Indagare Travel, was forced to reimagine her business when the Covid-19 pandemic brought international travel to a halt. Partnering with guides and experts across the globe, she built a platform of live-streaming, interactive classrooms, sending virtual travelers around the world.

Kimbal Musk, who helped pioneer the farm-to-table movement, is now working to make fresh, healthy food available to all American households. From empowering urban farmers to engaging young students, he hopes the locally grown, nutritious food he produces will be an important step in solving problems of food insecurity.

Visionaries is sponsored by Accenture.
